Quick Start Guide For Schools

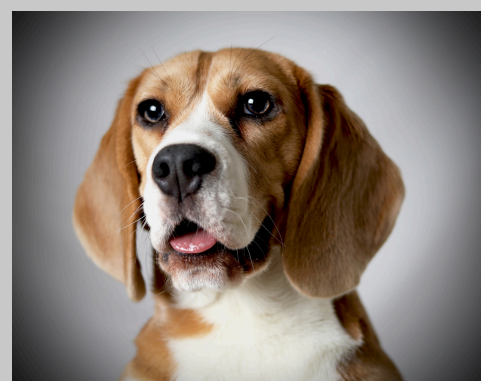

Who Are We?

Bee Kind Beegle was created by a mom with a mission to spread kindness and raise funds for schools. Her desire is to create a more meaningful school fundraiser while also promoting random acts of kindness throughout local communities. With our turnkey system, schools can raise funds for classroom supplies, extracurricular activities, and more. As part of our commitment to our mission, we also provide educational resources to help spread the message of kindness. We are passionate about supporting schools and helping them reach their goals. Whether you're a student, teacher or parent of a student, Bee Kind Beegle is here to make a difference. Join us today and help us make a real impact on our schools and throughout local communities.

Our mission is to inspire and facilitate acts of kindness within local schools and communities. We believe in the power of kindness to make a meaningful difference in the world.

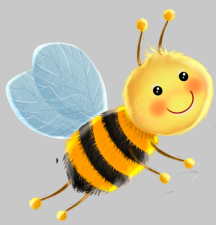

Our vision is to create a culture of kindness within schools and communities, where students, staff and families are encouraged and inspired to engage in random acts of kindness regularly. Our ultimate goal is to create a better world, one act of kindness at a time. We believe that by working together and supporting one another, we can build a brighter, more compassionate future for ourselves and future generations.

What Do We Do?

Bee Kind Beegle offers a unique fundraising opportunity for your school. While kids learn about spreading kindness at school, at home and throughout the entire community, they are also raising money for your school or organization.

Our program is very easy to implement, we handle the entire fundraiser from start to finish, so you do not have to have a lot of staff or volunteers to run the fundraiser. This allows the staff and teachers to focus on time with the kids. There are also no upfront costs and your school will receive funds within 5 business days of the closing of the campaign.

How Does It Work?

Step 1:

Campaign Setup

Bee Kind Beegle will setup the campaign for your organization, including a unique website for the organization and an individual donation page for each participant. A custom email campaign will be sent out to encourage each participant to register and customize their donation page on our platform.

Step 2:

Acts of Kindness

Participants will complete acts of kindness at their school, at home and throughout their community. We will give them plenty of suggestions but participants are also encouraged to come up with unique ideas on their own. No act is too big or too small! Participants can log their acts of kindness throughout the campaign.

Step 3:

Raise Money & Get Paid

Participants will collect donations from friends, family & local businesses. We will distribute funds to your organization within 5 days after your fundraising campaign ends.

The Student Experience

Step 1:

Registration

Parents will register their student(s) using the unique website link for your school. They can create a custom donation page for their student.

Step 2:

Share

Parents can share their student's page with at least 10 people via social media, email, text, etc. Sharing is easy using the share tool on the student's donation page.

Step 3:

Serve

Students can serve within their community, at home and at school by doing acts of kindness. Parents can submit updates on their progress on their donation page and the submission page on the website.

The School Experience

Planning

We offer you with a turnkey program to run a successful fundraiser!

- ✓ The Quick Start Guide
- ✓ Complete Campaign Setup
- ✓ Acts of Kindness Inspiration

Frequently Asked Questions

What is Bee Kind Beegle Fundraiser?

Bee Kind Beegle is a school fundraiser that promotes random acts of kindness. Kids are not paid to perform acts of kindness, they do them via the honor system to bring awareness within the community while collecting donations from family, friends and local businesses.

Are there any fees due to participate?

No, we only get paid when you receive donations, no payment is required to start the campaign.

When will our organization receive the funds from the fundraiser?

Funds will be received within 5 days of the end of the fundraiser.

What can we raise funds for?

You can raise funds for a lot of different things including the purchase of supplies & equipment, school facility upgrades, extracurricular activities, enrichment programs, etc.

Do students get paid for doing acts of kindness?

No, our program promotes random acts of kindness. Students simply raise awareness of the school's fundraising goal and collect donations. Students can participate even if they do not raise any money.

Can kids that do not have access to the internet participate?

Yes, students can track their progress with our paper template.
